SwiMP3 Gift Guide

The SwiMP3 by FINIS – Finally a way to listen to your favorite music while you swim!

The SwiMP3 uses bone conduction technology, which allows you to listen to hours of your own music in high fidelity.

The compact design of the SwiMP3 allows a seamless integration with any pair of goggles.

MAC and PC compatible.

SAHARA DRYEAR WARM AIR EAR DRYER

EAR DRYER \$99.99

The Sahara DryEar is a fully automatic, rechargeable, warm-air, ear dryer that is perfect for anyone who puts in time at the pool. Immediately after your workout or shower, just dry your ears, and you won't ever need ear plugs or drops again. Designed by an ear doctor to help prevent swimmer's ear, the Sahara DryEar is guaranteed to safely and comfortably dry your ears.

Purchase online and receive a FREE DryEar Travel Kit (valued at \$36.99) Coupon code: "SWIM". Visit us today at www.dryear.net or call (800)570-6096.

HYDRO TECH 2 FINS

Left- and right-foot pocket for a great fit. Made of super-soft silicone—like no training fin made anywhere. Silicone has low friction, yet gives good resistance. The "V" rail digs into the water to help raise the swimmer to a high race pace position, with less effort. Gets results!!

MICHAEL PHELPS DVD AND BOOK

Get free shipping in the United States when you order both.

Only \$54.90
 with Free Shipping in the USA

Product Code: PHELPSPROMO

Promotion includes the DVD "Unfiltered" and the book "Amazing Pace." "Unfiltered" is the first behind-the-scenes documentary on the sport of swimming, focusing on the lives, friendship and rivalry of Michael Phelps and Ian Crocker.

"Amazing Pace" is a revealing look at Michael Phelps by a *Baltimore Sun* journalist who has covered Phelps since he was a 14-year-old phenom.
